

# Pneumatic Pinner

## S 717-410

The S717-410 pinner drives 23 gauge headless pins from 3/8" to 11/16" in length. The S700 pins are perfect for attaching delicate moldings and trim to all kinds of furniture, store fixtures and decorative accessories. The driven pin is virtually undetectable.

### Popular Applications

Furniture molding and decorative trim.

### Technical Data

Model :	<b>S 717-410</b>
Part number:	12000052
Magazine type:	side loading
Fastener type:	S 700
Magazine capacity:	210
Standard load, strips x staples/strip:	2 x 80
Operating pressure:	75-90 P.S.I.
Maximum air pressure:	90 P.S.I.
Air consumption:	.01 cu. ft./cycle @ 90 P.S.I.
Recommended hose I.D.:	ø 3/8"

Weight:	2.23 lbs.
---------	-----------

Items supplied with tool:	Operating instructions, spare parts list, service instructions, silencer.
---------------------------	---

Subject to technical modifications.

### Accessories

Part number	Description
14401372	Pusher for 9/16" to 11/16" pins
14403330	Remote firing valve assembly
14403535	Stationary mounting fixture

All BeA pneumatic tools can be jig mounted.  
We supply the necessary accessories.

This tool conforms to the EC Directive  
for Machinery (89/392 EWG)
